

HEALTH & SAFETY POLICY

Equal opportunities lie at the heart of all that we do at Silverwood School. We are committed to ensuring that every member of the school community is given the same chance as any other to access the services and support of the school

We have carefully considered and analysed the impact of this policy on equality and the possible implications for pupils with protected characteristics, as part of our commitment to meet the Public Sector Equality Duty (PSED) requirement to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations.

This policy is designed to meet the needs of all pupils, working through pre-formal, semi-formal and formal curricula. It is inclusive of students who function at early/preverbal levels of language and communication, through to those who express themselves verbally and in writing. The policy is designed to be child-centred and to make sure as far as is possible that pupils understand what is happening in their lives, why, and what options are available to them
